Political Enlightenment Event at the Poolside *Educating Turkish-Americans on Political Awareness and Involvement*

Co-sponsored by
Turkish American Cultural Association of Michigan (TACAM)
and
Turkish American Students Alliance (TASA)

Join us for this unique gathering to inform the Turkish American community in Michigan on the importance and necessity of taking an active role in the local and national political issues. Members of America's prominent political parties will discuss how individuals' ethnic and political identities can help advance the interests of the Turkish American community.

Whether you are a student or adult; and whether you are a strong supporter of a particular party's values and principles or you consider yourself an independent, you will gain valuable insights into how to influence policy, political decision making and practices in a neutral, non-partisan setting.
